

Health Incentive Programs

Achieve and maintain a healthy and balanced lifestyle with our new interactive online wellness program, myWelCoach.com.

Rewarding Healthier Living

The WelCo Health Solutions Advantage includes an integrated and flexible Incentive Campaign program. Incentive Campaigns allow you to decide which healthy behaviors to encourage within a specific time period, and to reward those who participate in these activities.

Integrated

Your Incentive Campaign are tightly integrated with all aspects of our wellness platform, including Health Risk Assessments, Health Trackers, Food Logs, Exercise Logs, and more.

Flexible

Our best-practice Incentive Campaigns are easily tailored to meet the specific needs of your wellness program. Literally any activity may be added to the list of activities that you are encouraging and wish to reward!

Intuitive

Within a matter of minutes you will be reviewing, tailoring and reporting on your wellness program. Using our intuitive user interface you will be able to encourage healthy behavior, assign points earned to each activity and determine eligibility frequency.

Reporting

Our reporting suite allows you to easily report on the top point-earners in your wellness program, as well as looking at points by location, department, activity and observe trends in how and where points are being earned.
